

Accounting Excellence in Auckland

An exceptional opportunity awaits to acquire a premier accountancy practice in Auckland. Renowned for its outstanding advisory and compliance services, this practice is particularly noted for its robust advisory capabilities, setting it apart from many others in the field.

With experienced directors at the helm, this high-performing team has achieved annual fees in excess of \$4 million and a profit of \$1 million after shareholder salaries. Their commitment to excellence and client satisfaction has built a solid reputation and a loyal client base.

The directors are open to exploring all options for succession, whether through a full acquisition, partial acquisition, or merger. This flexibility ensures a smooth and strategic transition tailored to the buyer's objectives.

Qualified practices are invited to contact Greg for a confidential discussion prior to meeting the vendors. This is a unique chance to integrate a leading practice into your portfolio and benefit from its established success.
