

Established Engineering & Trailer Manufacturing Business

Offers Over \$600,000

Here is an opportunity to acquire a well-established engineering and trailer manufacturing business in the Bay of Plenty with a strong reputation for quality workmanship and reliable service.

Operating successfully for more than a decade, the business specialises in custom-built trailers and heavy transport solutions for a loyal mix of domestic and commercial clients. With experienced staff, efficient systems, and a well-equipped workshop already in place, the business is positioned for a smooth transition to new ownership.

The current owners have built the business together over many years and are now offering the opportunity to the market as they explore future options. One owner is open to remaining involved in the business, providing potential continuity and operational support for a new purchaser.

Key Highlights:

- Proven trading history spanning more than 10 years
- Skilled team and established systems in place

Price Offers Over \$600,000
