

High-Earning, Hands-Off Painting Business – No Experience Needed!

Run from Home | 40+ Year Reputation | 2 year avg profit \$414k

Here's your chance to own a seriously profitable painting business – without ever picking up a brush.

With over four decades of trading history, these guys are a trusted name in Auckland's commercial painting sector. The business runs lean with no lease, no staff, and strong teams of proven subcontractors handling the work. You'll step into a well-oiled operation with systems, accreditations, and contracts already in place.

Opportunities with this level of flexibility are rare. Buyers can acquire 100% of the business or secure a 50% stake at a significantly lower entry cost – retaining one of the existing shareholders and their valuable industry experience to support a smooth transition and ongoing success.

Why This Business Stands Out:

- ☑ **\$485k+ EBPITDA for FY25** – Proven profitability
- ☑ **Fully remote** – Work from home, no premises required
- ☑ **No employees** – Skilled contractors in place
