

Efficiency. Control. Growth.

Want To Dominate Specialist Industry – Then This Is For You!

- Import/Distribution/Retail/Service business with Specialist Engineering Arm
- \$5m+ T.O. with Top Regular client list
- Exclusive distributor for many top brands
- Vendor management contract offer for up to 24 months

The vendors have worked hard over the years to establish the dominant position the business holds in Auckland which now results in being the preferred service supplier to its specific target market as well as having one of the top supply retail stores in its market. That position cannot be understated as it leads the way in its service offerings.

With industry leading systems in place driving efficiencies and control, leading to client retention and increased profitability, the business is set to dominate its market segment for the foreseeable future.

It is now time for the vendor to setup his exit leaving a great team in place and a buyer with confidence, being able to negotiate a vendor management contract for up to 24 months.
