Childcare Centre + Land & Buildings – Prime Kapiti Coast Location

An outstanding opportunity to acquire a licensed childcare centre, located on a prime arterial route, along with the associated freehold land and buildings.

Currently operating at break-even, this well-established Kapiti Coast centre offers substantial potential for a new operator. With fresh vision and a renewed sense of purpose, there is a significant opportunity to enhance both the business and the property. The current owner has retired, presenting a rare chance for a motivated buyer to step in, reinvigorate the centre, and realise its full potential.

Key Highlights:

- **Operational Efficiency Potential:** While the centre is renowned for its quality care and education, staffing costs are currently around 85%, well above industry norms and impacting profitability. An ideal opportunity awaits an experienced operator to make a few operational adjustments that would significantly boost overall performance
- **Prime Location and Freehold Property:** The well-located land and buildings are being offered at a highly competitive square meter rate, providing a solid asset
