

Design, Craft, Install – High-End Cabinetry, High-End Profits \$\$\$

Step into a business that brings exceptional craftsmanship to life in some of New Zealand's most prestigious homes.

Creating high-end cabinetry solutions for kitchens, wine cellars, bookcases, laundries, and more – if it involves cabinetry, they have the expertise to deliver. From concept to installation, they provide tailored interior solutions that combine form, function, and style for discerning clients across the country.

Located in an affluent, fast-growing Auckland area – but with a reputation that extends well beyond – this business specialises in one-off, premium cabinetry and interior solutions with a very high average job value. Each project is custom-designed and expertly crafted, ensuring the work remains creative, varied, and highly rewarding for the skilled team.
