

Rare Opportunity to own a leading Montessori ECE

It's not exaggerating to say this must be one of Aotearoa's loveliest preschool settings, and, in combination with the excellent staff, it's easy to see why it continues to be so popular.

The profitable ECE is licensed for 28 children, is fully subscribed and has a long waiting list.

This is a once in a lifetime opportunity for someone with a strong interest in Montessori to carry the incredible legacy forward. The owner is committed to ensuring the centre continues to thrive as one of the leading Montessori centres in the country and is very willing to ensure a good handover—including training and ongoing support to a new owner.
