This is a fantastic central Auckland business. Fully managed by capable staff with the vendor living outside of Auckland and managing it easily from a distance over the years. The vendor has other businesses interests keeping him busy so is looking to sell this amazing central Auckland centre.

This is a great opportunity to expand, occupancy sits at around 75% consistently with little to no marketing being done other than word of mouth. This centre is located to entice many different workers (early and late) and thus occupancy of 95% plus can easily be achieved resulting in well in a much stronger EBIDTA.
