

Farm Effluent Cleaning Ltd – Thriving Contracting Business for Sale

Established 17 years ago, this successful family-run business has earned a reputation for reliability and service, boasting a loyal customer base. Specialising in effluent collection and dispersal services. The business helps dairy farmers turn waste into valuable fertiliser, reducing costs and promoting sustainable farming.

Additional services include on-farm roading formation and maintenance, creating a diversified income stream using existing equipment.

- **Proven Profitability:** Over \$500,000 net profit last year with just 1.5 working owners.
- **Well-Maintained Assets:** Equipment cost around \$2M (depreciated book value: \$958,000).
- **Reliable Team:** Long-serving, skilled staff ensure smooth operations.
- **Growth Potential:** The business currently services approx. 150 dairy farms. Otago and Southland regions host around 1423 dairy farms, providing a strong customer base.

This is an excellent opportunity for someone with farming or machinery knowledge, such as an existing contractor, farmer,
