

Thriving Timber Merchant & Frame/Truss Manufacturing Business

Strong Industry Reputation | Profitable & Scalable | Managed Operation

A rare opportunity to acquire a well-established and highly profitable timber merchant business with a frame & truss manufacturing plant. This is not a sawmill – rather, a trusted supplier to the construction industry, providing a comprehensive range of timber products and precision-engineered frames and trusses.

Key Highlights:

- **Turnover Circa \$10.5M** – Strong and consistent 4-year average revenue.
- **2025 EBPIDTA Forecast: \$1.4M** – Solid profitability with room for growth.
- **Experienced Team in Place** – Capable of operating the business under management.
- **Diverse Revenue Streams** – Timber yard, frame & truss manufacturing, and retail sales.
- **Growth Potential** – Expand operations in a high-demand sector.
- **Option to Purchase Premises** – Secure long-term control over your business location.
