

## Eco-Friendly Online Business – A Turnkey Opportunity with Growth Potential

This established online business is ready for a new owner to take it to the next level. Offering high-quality, eco-conscious, reusable products, it has already built strong relationships with over 70 retailers across New Zealand and Australia. With a loyal customer base and a seamless eCommerce platform, this business is primed for expansion.

Currently operating with minimal owner involvement, this is an ideal opportunity for someone looking to scale a business with ease. The foundation is set, with strong supplier relationships, reliable systems, and enough stock included in the sale to ensure a smooth transition and a strong start to another successful year.

Marketing efforts have been minimal, meaning a savvy new owner has a clear pathway to rapid growth through digital advertising, social media, and product expansion. Whether you want to maintain it as a streamlined lifestyle business or take it to new heights, the choice is yours.
