

Premium Appearance Medicine Clinic - \$190K EBPITDA, Minimal Owner Involvement

With a five-year average EBPITDA of approx. \$190,000, this long-established clinic combines strong profitability with minimal owner involvement. Supported by an experienced team and robust systems, it operates seamlessly under a light-touch management model. Further efficiencies and margin improvements remain achievable through structural refinement.

A unique referral partnership contributes approximately 20% of new clients, providing a consistent pipeline of business. With over 30 years of proven performance, the clinic is synonymous with clinical integrity and natural aesthetic results, attracting a loyal, high-demographic client base. Services include cosmetic injectables, advanced skin treatments, and premium products offered both in-clinic and through a thriving e-commerce platform, providing a diversified and scalable revenue base.

Key Investment Highlights:

- EBPITDA averaging ~\$190,000
- Light-touch management owner not clinical
- · Referral partnership driving new clients
- · Opportunities for cost optimisation and growth
