

Two Solid Revenue Streams. One Turnkey Opportunity.

Located in Auckland; servicing all of NZ, this exceptional business offering brings together two highly complementary operations under one ownership: a premium stone machinery importer and a luxury stone supplier. Together, they've created a high-growth, high-margin enterprise that delivered \$495,000 to a working owner in FY2025 – all without the need for staff.

Built on quality products, strong supplier relationships (including exclusive NZ/AU distribution rights), and growing market demand, the business operates with streamlined processes and minimal overheads.

It's easy to run yet primed for serious scale. With vendor support available to ensure a smooth handover, this is a rare chance to step into a niche industry with proven profitability and plenty of room to grow.
