

Healthcare Services – NZ Wide

EBIDT Circa \$5M

Managed Business

Price by Negotiation

A NZ Owned Gem has come to market after nearly 15 years of amazing operation helping many Kiwis from all facets of life.

From the far North, to the bottom of the South Island and everywhere in between, this business provides health care services for young and old the breadth of the country.

The business furnishes many strong contracts throughout NZ. Systems, HR and the recruitment process is streamlined and there is very strong opportunity for growth. The business is fully managed with very little owner input. Ideally placed for a seamless handover.

To find out more about this business, visit the Barker Business website and submit the online Confidentiality Agreement for reference #3852. Strictly confidential – all interested parties must be approved by the vendor before Brett can release further information.
