

Vendor Meets The Market – Christchurch ECE

Purposely renovated and licensed for around 20 over-tuos, this centre provides a warm, homely environment with seamless indoor–outdoor flow, landscaped play areas, and quality learning resources.

Currently operating at 70% occupancy with strong enquiry levels, there is excellent potential to grow enrolments. A dedicated team of qualified teachers delivers a blended Montessori and Te Whāriki curriculum, offering flexibility for a new owner to continue under the Montessori model or rebrand as a traditional preschool.

EBITDA for FY2025 is \$109K. The business is supported by a long lease with affordable rent, making it an attractive proposition for an owner-operator or investor seeking to enter or expand in the ECE sector. With the move to a higher funding band there is potential to see higher returns.

Motivated vendor who is open to reasonable offers.
