

Profitable Cleaning Business, Otago | Owner's Return (EBPITDA) ~\$120K

Step into a well-established cleaning business in the sought-after Otago region, with strong recurring work already in place. Established in 2021, the current owners have built reliable systems, supplier relationships, and a solid base of contracted revenue across multiple customer segments.

The business services holiday homes, commercial offices, hospitality venues, and residential households, providing a balanced mix of stability and growth potential. With three experienced full-time supervisors and support staff overseeing day-to-day operations, the owners currently work only part-time. A new owner can choose a hands-on approach to drive growth, or operate in a more semi-passive capacity with a capable team delivering results.
