

Import & Sell High Demand Industrial Supplies

5-Year Average EBPITDA – approx. \$560K

Market Leader: Exclusive Distributorships: B2B: Own Brand Products: Owner Part-time

Since 1983 this business has imported and supplied high-quality equipment and consumables for specialised industrial use. This technology is in high demand across numerous industries; the range of applications is vast.

Sales and profits have been very strong through the recession and point to a continued rewarding future.

The products play a vital role in extending the life and enhancing the performance of infrastructure and industrial components, therefore demand does not go away.

Products are sourced directly from world leading suppliers, a good proportion under long term exclusive arrangements and branded with own brand.

The business is recognised as a leader in its field and operates from an Auckland address plus two offsite 3PL warehouse facilities.

Price \$2,299,000
