

Longstanding North West Auckland Gem

An exceptional opportunity to acquire a well-established childcare centre with a strong reputation built over 15+ years. Nestled amongst nature, and enjoying the benefits of half an acre of outdoor space, this circa 50 licence centre has resource consent for 60, giving the new vendor an opportunity for further development.

After longstanding ownership, it is now time for vendor to stand back and focus on their health.

A dedicated team of experienced staff and shared management ensures stability, providing a smooth transition for a new owner.

With untapped potential for growth, targeted marketing initiatives and an enhanced online presence could further increase enrolments.

Whether you are an experienced operator or new to the sector, this centre offers a solid foundation with significant scope to grow.
