

Auckland's North West Hidden Gem

This long-established early childhood centre has been a trusted part of its community for more than 15 years, known for its strong relationships with families and its exceptional outdoor environment. The expansive play space is a genuine standout, giving children the room to explore, imagine, and thrive.

Licensed for circa 50 children, the centre also holds resource consent to increase capacity up to 60, with only minor works required to achieve the additional licence. The business operates fully managed, providing a smooth transition for either an investor or a hands-on operator ready to focus on marketing and further lifting enrolments.

Occupancy is looking to reach 70% in January, with steady growth and solid enquiry levels. Forecasting has been completed, offering clear visibility for purchasers and supporting finance applications.

The current owner is exiting to focus on their health, creating an opportunity for a new operator to take this strong foundation and continue its upward trajectory.
