

Proven Emergency Management & Preparedness Business

A trusted, future-ready business delivering resilience and continuity across Education and Corporate sectors.

Positioned at the forefront of a rapidly growing global sector, this proven emergency management and preparedness business delivers practical, real world solutions to critical situations, from school lockdowns and abduction alerts to health and safety incidents and natural disasters.

Developed in collaboration with police and industry specialists, the business has refined best practice systems that are trusted nationwide. With an experienced national team managing day to day operations, minimal overheads, and a fully flexible, asset light model, it offers an exceptional opportunity for a new owner to step into a resilient, future focused enterprise. Thanks to the depth of expertise and established systems already in place, the new owner does not need prior experience in the sector to successfully lead and grow the business.
