

Decades of Supply Decades of Success

Your Hard-To-Find Supplier, Found!

For more than forty years this privately owned Auckland-based business has been a go-to source for products that other suppliers simply cannot provide. It serves a broad range of New Zealand industries and continues to ship regularly to customers overseas.

Stocking thousands of product lines and millions of individual items, the company is known for carrying what others cannot. Its extensive range and loyal customer base create steady profits and dependable repeat orders year after year.

Its competitive advantage comes from a combination of diversity, deep product knowledge, and long-term relationships with manufacturers, wholesalers, and industrial clients. The business also owns several proprietary designs, tooling assets, and intellectual property that strengthen its position in the market.

Underpinned by strong systems, efficient operations, and a capable team, the business is set up for ongoing growth. New owners can step in with confidence, supported by experienced staff, and focus on strategy and expansion rather than day-to-day tasks. Opportunities exist to build further through marketing, product development, and an enhanced online
