

Predictable Cashflow. Built for Growth. Construction Sector

This is an exceptional opportunity to acquire a highly profitable, asset-backed equipment hire business servicing New Zealand's multi-level commercial construction sector.

A leading construction equipment hire business with long-term contracts, excellent cashflow, and strategic resource planning, the business is an approved supplier to Tier 1 and Tier 2 contractors nationwide. A forward project pipeline provides confidence, stability, and a strong platform for future growth.

The company specialises in the hire of construction service equipment essential for multi-story building projects, operating in a mission-critical niche with sustained demand and limited competition.

Strong relationships with New Zealand's major commercial construction firms have resulted in consistent forward bookings, repeat business, and an enviable reputation for reliability, safety, and service excellence.

The business is equally well suited to an owner-operator, investor, or as a strategic acquisition. It would integrate
