

Audio-Visual Installation & Distribution Business – Established, Profitable & Scalable

This long-standing audio-visual company has been delivering high-quality AV solutions for over two decades. The business designs, installs, and supports systems for commercial, education, recreational, and residential clients.

Highlights:

- Established brand with an excellent industry reputation
- Two complementary income streams – installations (~60%) and product distribution (~40%)
- Exclusive distribution rights for multiple international brands plus an in house product range
- Strong corporate relationships and growing repeat business
- Streamlined systems including integrated quoting, invoicing, and stock management
- Scalable structure using trusted contractors for larger projects
- Significant growth potential in corporate tenders, service contracts, and national expansion

This is a well-positioned, profitable business with multiple avenues for growth. It would suit a technically minded owner-operator, an AV professional looking to step into ownership, or an established AV company seeking expansion.
