

Established Auckland Pharmacy on a Strong Growth Trajectory

An exciting opportunity exists to acquire a long-standing community pharmacy in an affluent Auckland suburb, with a proven history of growth and further opportunities ahead.

Total revenue has increased consistently over the past four years, with an overall increase of 22%. Gross profit has grown even more strongly, increasing by 50% over the same period, with the FY26 gross profit margin reaching 41%.

The pharmacy dispenses approximately 2,500 scripts per month and benefits from a loyal customer base built over more than 50 years. The current pharmacist owner has operated the business for 25 years and is committed to supporting a smooth transition.

The business has benefited from increased government funding and the addition of a new consultation room. Further growth opportunities are already underway, including a $10,000 government grant to upgrade the consultation room (installed in 2025) for an online doctor service and plans to introduce a full range of vaccination services, including COVID-19 vaccinations.
