

Auckland Community Pharmacy

An opportunity exists to acquire a long-standing community pharmacy in an affluent suburb of Auckland. Serving its local community for over 50 years and under the same pharmacist owner for 25 years, this business offers both stability and clear potential for growth.

The pharmacy enjoys a loyal customer base, dispensing around 2,400 scripts per month and with revenue growth of approximately 17% over the last two years. The catchment is characterised by high household incomes, strong home-ownership, a solid base of older residents and a growing number of young families – an ideal profile for ongoing script and front-of-shop sales growth.

A new consultation room (completed in 2025) provides scope to expand clinical services, while a currently minimal digital and local marketing presence represents upside for a motivated new owner.

The premises are well-presented with a secure lease and on-site parking. The retiring vendor is committed to a supportive handover and is open to providing locum support post-sale. Expressions of interest are invited from qualified pharmacist buyers.
