

$500K+ Owner Earnings | Digital Agency with Recurring Revenue & Global Delivery Model

Businesses that generate strong profits without large teams are hard to find.

This established digital agency has built a highly efficient operating model that delivers quality digital solutions to clients throughout Australasia while maintaining lean overheads and impressive profitability. Generating Owner's Discretionary Earnings of more than $500,000, the business offers an attractive blend of project income and recurring revenue.

A key strength of the operation is its proven offshore delivery network, which enables the business to complete complex digital projects without the costs and challenges associated with managing a large local workforce. With no employees and established systems already in place, the business is structured for efficiency and scalability.

Long-term client relationships underpin a reliable stream of recurring income from hosting, maintenance, and support services, while ongoing project work provides additional revenue and growth opportunities. The business enjoys an excellent reputation and continues to benefit from a healthy

pipeline of secured work.

Interestingly, inbound marketing activities have recently been scaled back, creating a clear opportunity for a new owner to increase visibility and drive additional growth. Further upside exists through expanding service offerings, growing recurring revenue streams, and leveraging the increasing demand for AI-driven digital solutions.

Whether you're an industry operator seeking expansion, an entrepreneur looking for a profitable business, or an investor attracted to strong cash flow and scalable systems, this opportunity deserves serious consideration.
