

## Canterbury – Chartered Accountancy Practice

This long-established North Canterbury practice has built a loyal client base over many years and generates stable recurring fees. Annual fees are currently tracking between \$620,000 and \$650,000.

The practice has long standing, multi generational client relationships, delivering a stable and predictable fee base. A full transition to cloud based systems provide flexibility around location, including the ability to operate from Christchurch if desired. Supported by a capable team and established client relationships, this is a straightforward opportunity for either an existing firm looking to expand or an experienced practitioner seeking an established practice.

The vendor is open to remaining involved in a management role for a period, by negotiation. This practice represents a solid, well-positioned business with modern systems already in place and a stable platform for future ownership. The practice has a strong reputation, a diversified client base, and consistent financial performance.
