

$3.57M+ Revenue | Established Tech Consultancy | Ready to Scale

A proven technology business with serious growth potential.

With revenue exceeding $3.57M FY26, established government and corporate clients, and a strong pipeline of work, this New Zealand technology consultancy offers an exciting platform for its next phase of growth.

Specialising in enterprise software, cloud solutions and digital transformation, the business has built an enviable reputation for delivering complex projects to major organisations.

The numbers and opportunities speak for themselves:

- $3.57M+ FY2026 revenue, reflecting significant growth
- On track to reach $4M for FY27
- Strong contracted workload and future project pipeline
- Recurring support revenue providing ongoing income
- Long-standing government and corporate relationships
- Exposure to growing demand for cloud, integration and AI solutions
- Lean operating structure with low fixed overheads
- Significant potential to expand services, clients and market reach

BUSINESS SALES WITH INTEGRITY

An experienced senior team and flexible delivery model provide a solid foundation for growth without the burden of a large, fixed workforce.

For an established technology company looking to expand through acquisition, or an ambitious operator ready to take an existing business to the next level, much of the groundwork has already been done.

With supportive vendors offering a structured handover, the next chapter is yours to write.

Asking Price: $4,500,000
