

## Established Auckland Business | 30 Years | Easy to Learn

This well-established East Tamaki business has operated for around 30 years and provides supply, application and installation solutions to a broad customer base.

The business generates income across multiple sectors, including commercial clients, retail premises, education, healthcare, property management, contractors and residential customers. This diversity provides stability and reduces reliance on any single customer group or market sector.

The operation is practical, straightforward and does not require highly technical expertise. A capable purchaser can quickly learn the business, with vendor support available during handover. This opportunity may suit an owner-operator, a practical hands-on buyer, or an existing visual branding, presentation, property, trade, facilities maintenance or commercial services business looking for a bolt-on acquisition.

### Key highlights include:

- Around 30 years of established trading history
- Broad customer base across multiple sectors
