

➤ ESTABLISHED ➤ **PROFITABLE** ➤ TARANAKI

\$500K Owner Earnings | Established Engineering Business

This established Taranaki engineering business delivers average owner's earnings of approximately \$500,000, backed by a strong industrial customer base, repeat work and long-standing client relationships.

Providing design, fabrication and installation services, the business has the people, systems and equipment already in place, including an experienced, trade-qualified team.

Key highlights:

- Established industrial customer base
- Strong repeat and ongoing business
- Experienced, trade-qualified team
- Well-equipped and established premises
- Proven systems and operating structure
- Vendor willing to remain involved if required

There is plenty more behind the numbers.

For an existing engineering company, this could provide immediate scale, additional capability and an established customer base. For an experienced engineer, it offers the
