

Managed ECE Centre With Strong Occupancy

Dunedin Area | Approx. \$130,000 Managed EBITDA | Property Available

This established Dunedin-area centre with high occupancy, offers a manageable entry point into ECE ownership.

The business generated approximately \$130,000 in EBITDA for FY2026. This has been achieved with the vendors not working in the day-to-day operation of the centre with an existing management and teaching team already in place.

The opportunity may suit a qualified teacher or Centre Manager stepping into ownership, an existing operator looking to expand, or an investor seeking a managed ECE business. A suitably qualified owner who chooses to take on some management or teaching responsibilities may also have scope to review the staffing structure and improve their overall return.

There is also the opportunity to acquire the land and buildings by negotiation.
