

Escape the City. Own Your Own Bar in the Winterless North

\$320,000 | Beer & Loathing, Whangarei

Ready to swap city traffic and the daily grind for beaches, boating and a more relaxed Northland lifestyle?

Beer & Loathing is an established bar and entertainment venue in central Whangarei, offering the chance to be your own boss without starting from scratch.

The business has a recognised local brand, loyal following, proven events and a rare 3:00 am weekend licence – a genuine advantage in Whangarei's hospitality market.

Since extended late-night trading began in November 2025, Beer & Loathing has generated approximately \$426,600 in trading income over nine months, averaging around \$47,400 per month.

The two current owners work a combined 30 – 35 hours per week, giving a new owner the option to maintain the current structure or become more hands-on and grow the business further.
