

Established Palmerston North Childcare Business

Licensed for circa 60 children, including dedicated under-two spaces, this well-established centre offers an experienced team, strong community connections and a loyal enrolment base.

The centre operates from well-presented premises with age-specific learning areas, generous outdoor spaces and excellent indoor-outdoor flow.

Historically profitable, recent earnings reflect the owner stepping back from daily involvement and the additional staffing costs required to support a more managed structure. There is clear opportunity to grow occupancy, review staffing efficiencies and build on the centre's established performance.

An attractive opportunity for an owner-operator or investor seeking a reputable childcare business with solid foundations and future growth potential.
