

Highly Specialised Engineering Business $$$

A highly specialised Tauranga-based engineering and manufacturing business with over 40 years of trading history. The business services an important, multi-billion-dollar industry that plays a significant role in New Zealand's economy, supporting construction, infrastructure, manufacturing and export markets.

Business Highlights:

- 5 Year Average SDE of $1.58M* - allowing for replacement of key owner roles.
- Excellent YTD performance with a strong level of forward work.
- Established team of approximately 25* staff.
- Strong reputation, long-standing customer relationships, repeat work and significant barriers to entry.
- Extensive specialised plant, machinery and equipment.
- Established facilities and technical capabilities built over more than 40 years.

The business operates from established facilities in Tauranga and provides comprehensive engineering, manufacturing and installation services. Importantly, customer relationships often extend well beyond the initial project, with ongoing repairs, maintenance, upgrades and servicing providing

Price $5,086,000

BUSINESS SALES WITH INTEGRITY

repeat business and long-term revenue opportunities.

The business boasts a substantial asset base accumulated over more than 40 years. Many assets are not reflected on the depreciation schedule, and replicating the existing facilities, plant, equipment and capabilities today would cost considerably more than the asking price.

An excellent acquisition opportunity for an engineering group, manufacturing business or investor seeking an established and highly profitable operation.

Asking Price: $5.086 million Inc. plant and stock
