

Established Essential Services Business — Growth Potential

An opportunity to acquire an established and profitable business with a proven operating platform and potential for further growth.

Developed over almost two decades, this business has earned a strong reputation serving commercial, industrial, civil construction, local authority, agricultural and emergency response customers throughout its North Island markets.

Experienced management, skilled personnel, specialised equipment and proven systems underpin reliable service delivery, long-standing customer relationships and repeat business.

Competitive Advantages

High barriers to entry, specialist capabilities and an enviable reputation for reliability and responsiveness distinguish this business from many competitors. Its ability to undertake demanding work that others may be unable to accommodate provides a compelling point of difference.

A Platform for Future Growth

The business offers a purchaser an established foundation

Price $3,900,000

BUSINESS SALES WITH INTEGRITY

from which to explore geographic expansion into Taranaki and Hawke's Bay, with the upper South Island a potential longer-term opportunity.

For an ambitious purchaser, the attraction is the ability to extend market reach and develop additional revenue without the time and cost of establishing an operation from scratch.

The opportunity will appeal to entrepreneurial purchasers, investors, acquisition groups and businesses in complementary sectors seeking an established operation with further development potential.

The shareholders now offer a new owner the opportunity to build on these foundations and lead the business into its next stage of growth.

Price Expectation: NZ$3,900,000 (Plus GST if any)
International Enquiries Welcome

Note: The advertised location has been altered to protect the identity of the business.
