

Premium European Kitchen Business – Established & Highly Profitable

A premium Auckland kitchen business built around established European manufacturer relationships, high-end design capability and a proven design-to-install operating model.

The business supplies fully assembled, made-to-order German kitchens to the premium renovation and new-build market, supported by an established showroom, integrated design and ordering systems, and a network of specialists.

Key highlights:

- FY2026 adjusted owner earnings of approximately \$341,000 from sales of \$1.34 million.
- Strong FY2026 gross margin of approximately 41%, supported by direct manufacturer relationships and an asset-light operating mode
- Fully assembled premium German cabinetry products supported by direct relationships with established manufacturers.
- Lean operating model with no factory, manufacturing machinery or production workforce – installation and logistics are delivered through an established network of specialists.
- Integrated, user-friendly design and ordering software,
