Established Specialist Manufacturing – Infrastructure Markets

A well-established New Zealand manufacturing business supplying specialised products and solutions to infrastructure, commercial and essential-service markets.

With an EBPITD of \$2,200,000, this business has built a strong reputation for quality, reliability and technical capability, supported by an established and diversified B2B customer base.

Long-standing customer relationships and a significant level of repeat business provide a solid foundation, while the company's specialist capabilities and established market position offer further opportunities for growth.

Key strengths:

- Established and proven New Zealand manufacturing operation
- Specialist products serving infrastructure and essential-service markets
- Strong level of repeat business
- Long-standing relationships
- Proven technical and manufacturing capability
- Opportunities to expand within existing and adjacent

markets

- Potential strategic acquisition for an existing manufacturer, engineering or infrastructure-focused business

Suits a strategic or trade buyer seeking an established manufacturing platform, an existing manufacturer looking to broaden its capabilities and customer base, or an investor seeking a proven business with a strong position in essential infrastructure markets. Opportunities to acquire a specialist manufacturing business with this depth of experience, established customer base and market position are uncommon.

Asking: \$8M
