Established Takeaway Opportunity – Panmure

This opportunity involves purchasing the assets and taking over the lease of a well-established takeaway in Auckland. The current trading name and brand are not included in the sale; however, the existing menu will be made available. This gives a purchaser the option to continue with a similar food offering while introducing their own brand, concept and flair.

A lease is in place through to 31 January 2031, subject to assignment and landlord approval.

This business may suit an owner-operator, hospitality couple or experienced takeaway operator looking for an equipped Auckland site.
