

Established Service Business | Staff in Place | Growth Territory

Eight years trading under a recognised national brand, with an established customer base and a large territory that remains underdeveloped.

Quick facts:

- Wide South Auckland and Franklin territory extending into Waikato
- Staff carry out the physical work, while the vendors run the business in just 15–20 hours per week combined
- Two service vehicles plus plant and equipment included
- Established customer base with an approx. 70% residential / 30% commercial mix
- Full training, marketing, systems and buying power from a recognised national franchise
- Further growth potential by adding another operator into the outer territory

The systems, equipment, staff and brand support are already in place, giving a new owner an established platform to take over and grow.
