

## Specialist Aviation & Marine Surface Treatment Business

With a near 20 year history, this niche business has built a strong reputation in the specialist aviation and marine surface treatment market, delivering technical expertise, consistent workmanship and dependable service. With established systems, specialised know-how and a loyal customer base developed over many years, the business offers an incoming owner a proven platform in a niche sector with limited direct competition and attractive opportunities for further growth.

### Key highlights include:

- Combined Normalised EBITDA of \$346,461 for FY2026
- Specialist aviation and marine customer base
- Database of more than 500 clients
- Established systems, standard operating procedures and proprietary know-how
- Limited direct competition within its specialist market
- Long-standing customer relationships, some extending approximately 18 years
- Opportunity to grow the yacht and wider marine market
- Vendor available to provide a structured handover and transition

**Price**      \$1,095,000

**Ref**        4091
