

Specialist Aviation & Marine Business – \$419k Cash Surplus

An opportunity to acquire an established specialist surface treatment business servicing the aviation and marine sectors throughout New Zealand.

Operating since 2009, the business has developed a strong position within its niche, built on specialist technical expertise, proven processes, quality workmanship and long-standing customer relationships. With limited direct competition and strong barriers to entry, it offers an incoming owner an established platform from which to build.

Key highlights include:

- \$419,596 EBPITDA / Cash Surplus
- FY2026 combined turnover of \$591,823
- Specialist aviation and marine customer base
- Over 500 clients within the database
- Proven SOPs, systems and proprietary know-how
- Limited direct competition
- Established customer relationships extending approximately 18 years
- Significant opportunity to further develop the yacht and wider marine market
- Vendor available to provide a structured handover and

Price \$1,200,000

transition

The business would suit a hands-on owner-operator or could be structured with a senior operational person taking responsibility for service delivery. Previous aviation or marine experience is not considered essential, with specialist knowledge able to be transferred during the transition.

Asking Price: \$1,200,000
