

Contracted Revenue, Minimal Owner Input

Commercial Cleaning and Facility Services, North and South Island

An established commercial cleaning and facility services business with a contracted, recurring client base and a lean, fully subcontracted operating model.

The business services commercial sites across both the North and South Islands. Regular cleaning is delivered by a team of subcontractors, and the owners' role is oversight: client relationships, scheduling, quality control and invoicing. With no premises, staff or equipment to carry, overheads are very low.

This is a ready-made platform for an existing operator looking to add sites, or for an owner-operator wanting recurring income with clear room to grow.

Key Opportunities

- Contracted, recurring revenue from established commercial clients, invoiced monthly.
- Fully subcontracted delivery, with no employees, premises or equipment to carry.
