BUSINESS SALES WITH INTEGRITY

The current owner has intentionally limited enrolments below the centre's licensed capacity, providing an opportunity for an incoming owner to increase occupancy and grow revenue.

With an established teaching team and operational structure in place, the centre would suit an owner-operator looking to take an active role in the business or an existing ECE operator seeking to expand their portfolio.

Both options offer the potential to build on the centre's existing strengths and further grow the business.

Asking Price: $895,000.00
