

Successful & Profitable Collision Repairer

This East Auckland collision repair shop is one of the best around returning great profits. Situated in a great location within a large urban area for over 40 years, the business offers a new owner a huge amount of positives as it is the largest and most enduring established panel shop in the area. The business operates out of clean and tidy, well suited premises, and has long serving loyal and highly skilled staff who reflect the high level of service this panel shop offers to the local community and surrounding areas. The present owners have systems and procedures in place that have proven successful for them over the years and this has seen the business reach levels that few others can achieve. This business should appeal to a business minded automotive enthusiast or a trade person looking for a highly successful operation that has a healthy work stream, turnover and profit, as well as top quality plant and fittings. This business is set up for continued success and has repeat insurance and private work with great supplier relationships in place. Offering healthy and impressive cash surplus to a working owner, this consistently performing business is not one to be missed if this industry appeals to you or if you simply are looking for a great business model! Asking price \$975,000. If you are interested and would like more information about this business, visit www.barkerbusiness.co.nz, register your details and submit
