Web Based Business – 2015 Projected Earnings *\$2M+

If you're an investor looking for a business with not just good, not just great, but INCREDIBLE cashflow, then look no further. Buy with security! With significantly increased year on year earnings, this dynamic business is a proven success. So certain about the business and its capability, the Vendor is offering to leave in 25% and remain on as a shareholder offering great security to any buyer with this investment. With offices in NZ and Australia this highly profitable business was established over 6 years ago and sits in a future proofed industry sector. The company's services have great longevity and are very current with the modern world of marketing and promotion. Superior sales techniques, excellent account management and first-rate reporting systems have resulted in immense growth within the company.

With the superior backend system and bespoke software there is great potential to tag on new services to their current line. However, with offices in New Zealand and Australia the market is huge and there is still massive scope for growth in providing just their current services. The proof is already there in the increased annual sales and returns to date. Highly driven, the Vendor has a genuine reason for sale as he wants to invest and focus within a new space, but only after a
