Exceptional Customs Broker & Freight Forwarder

Turning over an average of \$7.3 million PA and an average owner's cash profit of \$561,000 PA for the past 5 years, this business is now on the market and will sell quickly.

Established more than 60 years ago, the business has built up a solid and loyal customer base. Focusing on their key strength of high quality service has seen them gain an excellent word-of-mouth reputation and the great rapport they have forged with their customers has been rewarded with significant repeat business. However, while word-of-mouth referrals have been instrumental in developing and maintaining a great business reputation, there is a big opportunity for a new owner to aggressively grow the business with direct marketing. This business-to-business operation trades 5 days per week in a modern, light industrial, commercial area located close to the Auckland International airport. There are experienced staff in place that are capable of fulfilling the many incoming jobs, delivering top quality customer service, running the day to day operations under the owner's / manager's supervision and most importantly providing the new owner with valuable continuity. After more than 40 years in the business, the owners wish to now sell and retire - this offers an exceptional opportunity for a fulltime customs broker owner! Asking Price: \$1,590,000. If you are interested and would like more information about this
