

Very Profitable Fruit & Veg Shop Turnover \$2.2M PA

This very profitable fruit and vegetable shop is located in West Auckland in an area that is well recognised and known as the home of fresh produce. With high visibility to passing traffic, the shop is situated on the main road, close to the motorway and town centre and has surrounding neighbourhood shops such as a bakery, butcher, takeaway and liquor. The building is over 300 square meters and purpose built (in 2012) with a large loading bay, walk in chiller and office, they also sell a small amount of grocery lines. The area is fast growing with large subdivisions / development underway. Turning over \$2.2 million per annum, the business is part of a large franchise group with around 29 shops throughout Auckland and Waikato - being part of this group allows for great buying power. Although the Vendor is happy to offer a handover period he tells us no skills or experience is needed as the staff are fully trained and Head Office also provides ongoing support to uphold the highest standards. Asking \$450,000 Plus Stock. With a long lease in place and very reasonable rent, this iconic produce provider won't be on the market for long.
