

## Standout Player, Genuine Cash Surplus \*\$355K FY15

This South Auckland based contracted service specialist business is a \*standout player in their industry and is a preferred choice of their customer base of civil, commercial and residential clientele. \*There are HUGE individual confirmed orders / contracts in place, enabling a new owner to hit the ground running. The business is growing and making a genuine cash surplus of \*\$355K to one working owner. \*This is a solid, stable business that is priced very fairly as the current owner has found he is urgently required to attend to his other business interests which have declined in his absence. \*No construction industry experience is required as a new owner with a strong sales focus and general management skills will simply be left to oversee the team of 16 staff, the majority of which are highly experienced and have strong industry knowledge. \*There is experienced and committed middle management in place to direct the independent teams who have technical expertise and can get on with the job autonomously. \*Founded in 1987, the business has grown steadily and continues to grow due to the impressive completed contracts that each team member is consistently proud of. Asking Price: \$795,000 which includes plant, equipment and stock. Note: The cash surplus figure is based on EBPIDT. If you would like to find out more about this
