

Major Flooring Brand, Great Margins, Great Town

Part of a recognised brand with a proven 30 year history in the flooring industry, this nationwide branded company has enjoyed revenue growth year on year since opening, achieving margins above average industry benchmarks. With over 6 years trading history, this business's current financial years' results to date shows a steady upwards trend.

With a large range of residential and domestic clients, the business targets work opportunities via a network of builders, architects, specifiers, local body and health providers and has formed a client base which has grown consistently given the increasing spread of people to the area. As a member of a large buying group that pride themselves in working together to ensure customer satisfaction and supply of top quality products at competitive pricing this has cemented them as a major player in their industry. This group work closely together and are a strong bonded team with the individual members taking an interactive role in the future development of the brand.

Based just 1.5 hours' drive from Auckland by car, the location offers you a fantastic lifestyle in a clean green environment, surrounded by many popular holiday destinations. There is a large modern showroom with excellent warehousing facilities and plenty of off street parking. A large profitable platform has been achieved with further growth easily reachable with your input!

Owner operated with one very experienced employee as well as self-employed installation contractors - Industry experience not essential to a new purchaser! So... what are you waiting for? Escape the rat race to live the better life.

All this for \$520,000, includes stock.
