

Great ECE Double Opportunity – Sunny Hawkes Bay

Two really nice Early Childhood Centres for sale in Hawkes Bay, an area which is reported to be experiencing plenty of growth in population due to people ex Auckland & other places moving there.

- Great Reputation.
- Very Attractive Centres – Indoors & Outdoors.
- High Attendance levels.
- Good Cash Flow.
- Profitable with Further Profit Opportunities.
- Business and Land & Buildings for sale, together or separately.

These centres have been well managed by the current owner for several years with great reputations & attendance levels. The owner does not work in the centres and acts in & administrative role approx. 8 hours per week. A new owner does not need to be ECE qualified. A great group of experienced teachers, plenty of room indoors & outdoors, well thought-out & presented layouts, these centres are very attractive. The outdoor areas in particular would make many other operators envious!.

Licensed for 28 & 40 children respectively & located very close to each other, these centres operate independently, while also fitting together as a well-managed combination. One operates as a Nursery while the other operates as a Preschool.

The centre's land & buildings are owned by the vendor & are offered for sale with the business or separately to an investor.
